ANNI

Anni's job description has been shifting since Alex came down with a cold. She's had to help out a lot more around the house, and keep the area around him extra comfy. She checks under his blanket and finds a shockingly long cock quickly erecting. She takes hold of it and slips it into her mouth. Soon, it's in her ass and every thrust seems to put a little color on his face, and a smile on hers.

We'd all been just friends for years, until that weekend at the beach house

I still tremble when I remember standing there, my arms above my head. My legs were growing numb from the strain of balancing on my tiptoes, trying to stay perfectly still. My muscles, taut and bulging tensely, teetered on the brink of exploding. Excitement rippled through me ominously.

"Tina! Tina! Please, please don't leave me here!" I shouted. The hollow ring of my voice echoed in my head. "Tina! Tina!" I pleaded.

I heard the door opening behind me, and her rapid, sharp footsteps on the wooden floor. "Listen, you little bitch. I don't want to hear what you want or don't want. Understand?"

As I stood there, memories of Tina rushed into my head; from the first time I met her, seven years ago, till now. I had felt drawn to her in some inex-

plicable way even then. I saw us then, as struggling artists—she a photographer and I a writer. I felt great strength in her. Her unwavering conviction in pursuing her craft had supported me and my work.

Tina's beauty is outstanding. At 29, her looks are more stunning than they've ever been. Her long blonde hair; her piercing green eyes; her high cheekbones; her slinky movements—all make her enchanting. More of Tina later.

Jeff and I have been together for five years. We have an open relationship, so our conversations on sexual matters are quite frank. Jeff had often mentioned his desire of fucking Tina and me at the same time. And there were many times we could easily have done so. But the furthest we had ever gone was intense snuggling on the couch. I always became too tense, too uncomfortable, to go

on to anything more.

I'm not certain what was different during that weekend at the beach. Tina was spending Memorial Day weekend with us. Starting on Friday night there were overtones that something deeper was developing between the three of us.

Sunday, at the beach, Tina started massaging my back while Jeff was swimming in the ocean. I was startled—while watching the waves crash onto the beach—enough to realize my growing sexual excitement.

Later, when I came back from a long walk, I found Jeff sitting on Tina's butt, rubbing sun block into her back. She looked up at me as I approached, her gaze penetrating me.

When we arrived back at the house, still in our bathing suits, the place was hot and

sultry, the air steaming with erotic possibilities. The day at the beach, soaking in the rays of the sun, and the party afterward, smoking too much weed and drinking too much wine, had made me feel restless and reckless.

Tina would be leaving in the morning, but Jeff and I would stay on another day. We were sitting on the floor around the big coffee table, drinking more wine. Tina was wearing her scanty string bikini, which became unstrung when she reached behind herself for an ashtray. Capriciously, she snatched the top away from her body, her tits bouncing free.

"To hell with it," she said casually. Turning to us, she asked with a laugh, "Unless you'd prefer I keep it on?"

"Oh, no. Not at all," Jeff said quickly, his eyes fixed on her boobs. I followed his eyes. Tina's nipples were hard. Her breasts were quite different from mine. They were very round and firm, like tennis balls. Tina was staring at me. I tingled with embarrassment, an unusual glow growing deep within me. I jerked my eyes away from her tits, feeling guilty. She was smiling, her eyes filled with amusement.

"Why don't you take off your top, too?" she asked me.

"I'm sure Jeff would like to see both of us."

As I removed my top, I nervously bent forward to grab my glass of wine. Tina reached out and caressed the top of my ass, which was peeking out of my scanty bottoms. Waves of excitement swayed through me. Jeff's voice punctuated the eroticism of the moment. "It really turns me on, watching you two touch each other," he said.

Squeezing my ass, Tina

my ear. "You can trust me." As she led me across the room, something touched my forehead, something soft and silky. I felt something being tied around my eyes; it was a scarf. Tina walked away, leaving me enveloped in darkness. I could hear her whispering to Jeff, but I couldn't make out what she was saying.

"What's going on?" I giggled.

"You know what's going on," Tina answered. "It's just

purred, "I bet you really like it, don't you?"

"I do, but ..." I couldn't explain my discomfort. I loved Tina, but she was my friend.

Jeff grabbed me and said, "Why don't you let yourself go?"

"I'd really like to," I said haltingly.

"Close your eyes and come with me," Tina whispered into

like what happens in those stories you write."

Suddenly I felt her hands grip my wrists, as my arms were pulled upward. I tried to resist, but Jeff's grip tightened on my arms, holding them outstretched above my head. The scarf was then removed from my eyes.

My blurred vision soon focused on Tina and Jeff. "Jeff,

will you take off my bottoms?" she said coyly, running her fingers over his chest.

Jeff followed her bidding, leaving the brief bottoms of her bikini around her ankles, while he ran his hand over her ass. I tried to look away, but Tina gently took my head in her hands, turning my head around. "Look. I want you to look."

Jeff was stroking her ass, running his hands between her legs. Tina unsnapped my shorts and then pulled them over my hips. A strange fear pulsed through me. I closed my eyes and waited a very long time. Suddenly I felt a soft hand on my ass. I could hardly catch my breath. My skin was tingling.

"Let's leave her here for a while," I heard Tina say. I don't know how long I stood there, my body stiff and aching, my mind spinning. It seemed an eternity before I heard them come back. Finally, Tina walked around to my side. Her response sent a chill through my body. "We need to loosen her ass up," she said.

Jeff stepped up to me, then stopped and looked at me for a long time. He reached his arms around me, his lips falling open and yearning toward

mine. He grabbed my ass, his stare growing more intense. His fingers then pulled my ass cheeks apart, getting them wide open.

Tina's fingers searched out my cunt. "You're all wet, sweetheart. You like it, don't you?"

"No, no," I quickly, too quickly, answered.

"Then we'll just have to get you to like it," Tina replied. She inserted two fingers into my dripping pussy. I moaned with an intensity that frightened me, and almost against my will

and was engulfed by my blazing cunt. I was reduced to the sensations that were passing through me and making my whole body throb.

Jeff knelt down in front of me and started eating me out with a ferocity I'd never experienced before. Tina stuck her finger in Jeff's mouth as he was sucking me and brought the finger to my asshole. I almost came when she shoved her finger into my tight anus.

Tina slowly worked her finger in and out of my ass, until

I started to move my pelvis in response to her thrusting hand between my legs.

Jeff stepped away to watch us, his lips open, his breath coming in fast, shallow bursts. He looked more passionately excited than I could ever remember seeing him. I lost all sense of what was happening

I was wildly gyrating with the erotic pleasures I was receiving from both sides.

I was totally lost in the whirlpool of sensation, until Tina sharply pulled her finger out of me. She fell to the floor in front of Jeff, her ass jutting into the air, and took his throbbing

cock into her mouth. I watched, mesmerized, as her lips glided up and down the shaft of Jeff's cock.

Jeff was in ecstasy. I had never seen him look so sexy. I stared at Tina's head bobbing up and down; her rhythm rippled through me. I could almost taste Jeff's delicious dick in my mouth, almost feel it gliding off my tongue, just by watching my lover's cock disappear into Tina's mouth.

Jeff moved behind me and Tina guided his stiff rod into my ass. I started to churn, writhing against the massive intrusion into my asshole. Tina kept her mouth on mine as her fingers plunged into my pussy.

I was whirling; all of me was spinning and melting. I was swimming on the verge of an abyss which threatened to overtake me. In front of me and behind me were the two people I loved most in the world. As though a dam had

bling and moaning together, the spasms from Jeff passing through me to Tina. I couldn't believe I kept climaxing, tumbling, moaning, and writhing. I had never surrendered so completely to such dazzling, vibrant sexuality.

Jeff's body relaxed behind me, his grip loosening. Tina guided me off his spent cock, and in one fluid motion she released me and laid me on the floor.

At once she lowered her tantalizing mouth to my sopping wet cunt while she placed her own beautiful pussy in my face. I opened her cunt lips with my newly freed hands and desperately sought out her rosy clit with my tongue.

Lost in the sweetness of her taste and the incredible pleasures of her talented mouth, I continued to fly in an orgasmic orbit, spasms ricocheting from my charged body to hers.

Tina suddenly got up and turned toward me, putting her hands around my head, bringing her head toward mine, guiding my lips toward hers. My mouth dropped open at the touch of her lips against mine. She shoved her tongue into me so forcefully it struck the back of my throat. Her fingers grabbed my hair and her breasts ground against mine.

been released, all of me was gushing, dancing to a wild, sensual beat, hissing through the air.

I shuddered in delight, undulating in a sea of rampant sexuality. Screaming frantically, I came and came, as if I would never stop. Tina's eyes sparkled in front of me; Jeff was thrusting deep behind me.

Soon all of us were trem-

We all ended up in the same bed that night, our bodies and legs entwined, sleeping soundly. We awoke to a beautiful day, tinged only by the sad fact that Tina had to leave us. Her vacation at the beach house came to an end.

I haven't seen or spoken to Tina since that morning, but I know the three of us will become one again.

AJ's got one fine ass, but it would look so much better with a nice big dick in between those cheeks. With her man happily volunteering his own all that's left is to slip out of her booty shorts, and start fucking already. Once she's got her lips around his cock it's hard to peel her off it before he bursts in her mouth, and her wet pussy is just the squeeze he needs.

KATJA

Katja's always enjoyed a threesome, and now she's got two hard cocks to keep happy. Her soft, fit body is caught between them; and those tight, wet holes make perfect play things for hours on end. With each thrust her boobies bounce, and a little gasp escapes from her smiling lips. Hopefully her mouth is deep enough to handle two full loads.

LETTERS FROM OUR READERS

SUITE LIFE

A few months ago, my girlfriends and I took a spur-of-the-moment trip to Vegas, getting ourselves a suite to both enjoy and share in the high life of the sleepless paradise. It was a weekend for us to relax and unwind. I just never expected it to be so much!

The trip started with some of the standards, hitting the shows, enjoying the food, and wandering the Strip. But then, the second night out, we decided to hit the clubs. The four of us started out by staying together and moving almost as a pack. But the night wore on and eventually each of us managed to find a beau or two at each club, and through the night a couple of them even started to latch onto our group. By the time we got to the club at our hotel, we had all managed to pick up an escort. Mine was a few inches taller than me, lean, but strong with blue eyes to match my own and an appreciation for everything that I am.

We all danced the night away, letting ourselves go until we could barely stand. I'm not sure which of our group mentioned that we had a suite upstairs, but before I knew it, we all agreed that we needed to continue the party up there. I looped my arm around my new friend and followed the loud procession up to the room.

By the time we made it into the room, shoes were already scattered everywhere, as were at least three shirts and a bra as the others were already moving toward the couches in the center of the room. Brayden, my guy, led me to a chair a little apart from the others before he caught my eye and smirked. A moment later, he scooped me up in his arms and carried me to one of the bedrooms, quickly kicking the door

closed behind him, telling me that he wanted me for himself that night.

I didn't argue, not entirely sure that I wanted to be shared around myself. From the other room, we could hear the screams and moans, but it didn't matter. Brayden took his time, pulling off my shoes gently, kissing my toes and moving up towards my feet, ankles and legs. Each kiss drew out hesitation, pulled away any second thoughts or ideas. He was taking the time to show me that it was going to be not just okay, but amazing.

He stood up, pulling off his shirt to reveal his smooth chest and nipples that were almost as erect as mine. With hardly a word, he took his time and helped me out of my top and bra to admire my chest that seemed to almost sigh with relief as he released the twins. He nuzzled his face in them, enjoying how they poked and enveloped him, and everywhere his mouth grazed seemed to earn another kiss. And he enjoyed my breasts and stomach until I slowly lay back down, and he just slid his mouth towards my crotch, making out with it through the fabric of the miniskirt I wore that night, one hand moving deftly toward the band while the other reached up underneath and started to tease at the edges of my lace underwear, playing with places his lips couldn't yet reach.

It didn't take much to slide me out and lay naked before him. He spread my legs open before him and, with a wicked smile that I didn't recognize from before, slid

his tongue up and down my thighs and legs, tracing right up to my hungry pussy, but not touching it, just... teasing. And he was a very good tease. His fingers still knew where to dance across my flesh, from my toes up to my breasts he managed to keep finding sensory points and sending new waves of pleasure through me.

He finally stood up and leaned over me, giving me a single long kiss before straightening up and letting his long, hard piece into the spot he wouldn't touch. I was sent through torrents of emotion and pleasure as the entire length found its way in, throbbing and writhing to find the perfect spots. I reached out and grasped onto the blankets, throwing one over my mouth so I wouldn't scream, but it didn't seem to help much at all. Brayden took his time at first but picked up pace quickly and before I knew it, this gentle man who had taken all

my troubles was pounding me so thoroughly that I would never remember them again. Blankets or no, the rush of passion and emotion surged through me and caused me to cry out loudly as we both climaxed at the same time. He lowered himself over me, leaving his cock inside, and gave me a gentle kiss, laying us both down to sleep. I woke in the same position, with him already starting another round for the morning. We quickly decided we didn't need to leave the room until it was time to leave.

— Jenna in Sin City

MY AUDITION

It all started as Bailey and I were heading to a small high-end restaurant in Tampa. I sure hoped the meal would show my good taste in fine food. I had been there a couple times before and it did not disappoint. I especially liked the large semi-circular, over-stuffed booths around the perimeter of the main dining room.

And with the long tablecloths, no one could see what was happening below table level. Nor did anyone really care. Besides the food and drinks were great.

Bailey is a "talent scout," she says, for an adult production company and she spotted me working at another restaurant and thought I was good "man meat" as she called it. I agreed to meet her and here we are now seated in a corner booth.

Our conversation easily flowed for a couple hours, just like the drinks. Feeling wonderfully tipsy and lusty, Bailey started to go a bit further than just rubbing my leg. She went for the zipper, found it and zzzzzp, pulled it down in one swift move.

"No underwear?" she whispered in my ear. "Not tonight," he replied. "That's funny, not me either," she said as she found my cock and pulled it out from its confines. She squeezed it and it became even harder, especially when she used her fingernails across it.

That singular sensation almost made me cum right then and there, but she squeezed hard and stopped me.

Then taking my hand off the wine glass, she guided it under the table to her wet pussy. My fingers deftly find her snatch and feel no pubic hair.

"You're bald?" I ask as I squeeze the soft flesh around her mound. "Not really," she says, "I have a little landing strip." Well, that was enough to get two fingers pushed into her pussy. She gave out a little moan at the table just as the waiter was passing. "Yes, miss? Would you like something?" the waiter asks.

"No, thank you, I'm already getting it." We both giggle and the waiter smiles and moves on.

Dinner's over and she invites me to her home. Bailey invites me in and takes me by the hand straight up to her bedroom. She told me to show her what I can do. She fell back on the bed, propping herself on her elbows and looking at me as I have been taking it all in. She rolls over onto her belly and motions me to join her. In no time flat, I'm naked and sitting on the bed beside her.

Bailey rolls on her side and positions her head in my lap, instantly sucking on my cock. I fall back on the bed to give her better access to my cock and balls. She grabs them as she sucks down my cock. I slip my hands around her boobs and my fingers find her nipples and I squeeze them hard. She yelps and in return gently bites my cock, baring her teeth for me to see. I squeeze them again and she gives my scrotum a twist, that I find painfully pleasurable.

I slide my hand up her legs and finds her swollen clit, massaging with my fingertip over her quivering

WHEN I WAS NUDE IN FRONT OF HER, SHE GRABBED MY COCK,...

bud. I plunged my fingers into the juicy depths of her pussy and finger fucked her while she sucked on my throbbing cock. Slowly, I sensed her sucking became a bit more mechanical, like it was being done for a purpose. I think she was trying to make me cum quickly, but I want to hold out to show her that I can.

I plunge a couple fingers into her soaked pussy, then pulling out my fingers and bringing the sensual taste to her lips. She sucks them clean as she feels my cock fill her and massage her insides. I ride her climax, gritting my teeth.

We lay together in sweat and a gallon of love juices on a bed drenched with our lust. Bailey opens her night stand drawer and reaches in for a small notepad. She jots down some phrases and puts it back.

SOPHIE & LEXI

A typical Saturday night turned into quite the raucous occasion when Lexi started getting horny just looking at her man. She threw off her shirt and was trying to get him inside of her asap. Sophie and the other guys looked at each other, and figured "Why not? It might be fun!" After getting their pussies stuffed, Lexi and Sophie were happy and covered in cum.
